

DOD QUARTERLY REPORT (First quarter FY2006)
DIVISION: Division of Toxicology and Environmental Medicine
Scheduled start date: April 2005
Scheduled completion: December 2005
ATSDR ToxProfilesTM 2005 CD-ROM – Including ToxFAQs and Public Health Statements
Toxicological profiles on CD-ROM make toxicological information more accessible and convenient for health care worker, toxicologists, occupational health physicians, public health personnel, communities, and ATSDR's health partners. The ATSDR ToxProfiles 2005 TM including ToxFAQs and Public Health Statements CD ROM was released in December 2005. The package includes two CDs; one CD contains the toxicological profiles; the second CD contains the ToxFAQs and ToxFAQs en Español and the Public Health Statements.
